PRESENTING SPONSOR

ACME

CONCORDVILLE TOWNE CENTER

For over 50 years, the Rotary Club of Concordville Chadds Ford (CCFR) has been serving our community. As local business leaders, volunteers, neighbors, and friends, we are dedicated to improving our community. Our programs are supported by our fundraising efforts. Last year, our 7th annual Twisted Vintner allowed us to make a positive impact on many lives, including:

- providing scholarships for our youth
- encouraging ethics, service, and leadership in young people through our high school and college Rotary programs
- supplying food, clothing and holiday gifts to needy families
- contributing to the good works of
 - CASA Youth Advocates
 - The Rachel Kohl Library
 - Brandywine Youth Club
 - Camp Bournelyf
 - A. I. Dupont Children's Hospital
 - The Brandywine Battlefield
 - The Darlington Arts Center
 - All Riders Up

Because of generous corporate and community support CCFR was able to extend our reach by

- providing much needed cleft lip surgery to children in Myanmar
- educating a classroom of children in Haiti & partnering to install a clean water well for their use
- contributing to Rotary's leading effort to eradicate polio

The Rotary Club of Concordville Chadds Ford is holding its Eighth Annual Twisted Vintner® Amateur Wine Maker Competition so we can continue making a difference. We are asking our friends, neighbors, local business owners and the corporate community to help us with this worthy cause by showing their support though sponsorship of the event. Sponsorship opportunities are available at a variety of levels which are detailed on the following page. The advertising and email campaigns will target 194,000 residents of Concord, Chadds Ford, Thornbury, West Chester, Kennett, Media, Bethel, Aston, as well as thousands of supporters of the Charities we support.
